

Resolutions of

the 12th Northeast Asia Standards Cooperation Forum

1-4 July 2013, Kitakyushu, Japan

A. General

The 12th Northeast Asia Standards Cooperation Forum (hereinafter referred to as “The Forum”), hosted by JISC (Japanese Industrial Standards Committee) and JSA (Japanese Standards Association), was held during 1-4 July 2013 in Kitakyushu, Japan. The Forum was attended by 81 delegates representing government agencies in charge of standardization, private standards organizations and experts in this field from China, Japan and Korea.

B. Cooperative Works

1. The Opening of the Forum

Heads of Delegation of the three countries’ governments addressed the opening remarks and expressed their hope that the Forum be successful and to strengthen the cooperation amongst the three countries.

Mayor of City of Kitakyushu addressed welcome remark.

2. Presentation of Country Updates of Standardization

SAC, JISC and KATS made presentations and shared information on the current status of their standardization policies and activities.

3. The remarks of CJK-SITE

Heads of Delegation of CJK-SITE addressed the opening remarks and expressed importance of cooperation between the CJK-SITE and the Forum.

4. Report on the Ongoing Cooperative Items and Proposal of New Cooperative Items

CAS, JSA and KSA made presentations of ongoing cooperative items led by each country to review the progress of cooperative items since the last

meeting.

Presentations of four new cooperative items adopted in the Forum were made by proposers. The Forum recognized the progress of ongoing and new cooperative items.

4.1 Ongoing cooperative Items

The Forum agreed to continue close cooperation on the following items. The contact information, if not yet well-confirmed, shall be provided via respective secretariats of the three countries to the leader of each item as soon as possible. And the parentheses shall make a status report on each item to the 13th Forum in 2014:

- 4.1.1. Studying Procedure for more efficient operation of the Forum (C-J-K)
- 4.1.2. Reinforcement of information exchanges, such as those on national mirror committee of ISO/IEC TC/SCs of each country (C-J-K)
- 4.1.3. Joint response to the new business of ISO and IEC (C-J-K)
- 4.1.4. Accessible Design (J)
- 4.1.5. Cooperation in ISO/TC 171 (Document management applications) of evaluation and preservation of 2-byte font design (J)
- 4.1.6. Test Method for Fibrous Activated Carbon (J)
- 4.1.7. Standardization of Thermal Conductivity of Thermal Spray Coating Layers in Ceramics (K)
- 4.1.8. Cooperation on the International Standardization of Products for Seniors (K)
- 4.1.9. Cooperation for Standardization of Eco-friendly Electroplating (K)
- 4.1.10. Cooperation on Smart Grid amongst three countries including new work item in IEC of common interest (C-J-K)
- 4.1.11. Information exchanges and cooperation on standardization on Sewer System Maintenance (J)
- 4.1.12. Freight container (C-K)
- 4.1.13. Information exchanges and cooperation on Graphical Symbols (K)
- 4.1.14. Standardization cooperation of Printed Circuit Board (C-J-K)
- 4.1.15. Information exchanges and cooperation on standardization Nuclear Energy and Instrumentation (K)
- 4.1.16. Determination of thermal conductivity for thermal barrier coatings (J)

4.2. New Cooperative Items

The Forum agreed to cooperate in the following new items and requested the respective secretariats to provide the detailed contact information to the proposers.

- Measurement of Young's modulus of thermal barrier coating (Japan)
- Common Standardization on Test Method of Photo catalysis (Korea)
- Improving global supply chain efficiency by RTI (Returnable Transport Items) standards and guidelines (Korea)
- Design, fabrication, characterization and standardization of 3D digital functional reference nano-structure (China)

4.3 Completed items

The Forum agreed that cooperation on the following items were successfully completed in the Forum :

The Forum resolved to disband the following items:

- Information Exchanges on the Activities of ISO/TC 164(Mechanical Testing of Metals)(Japan)
- Information exchanges and cooperation on Reclaimed Wastewater Use in Urban Areas (Japan)
- Standardization cooperation of Smart City Infrastructure (Japan)
- Cooperation in ISO/TC130/WG12 (Post press of Printing) (Japan)

5. Report on Working Group Activities

The Forum held two WG meetings as follows:

5.1 Reports from WG 1-Freight Container

Mr. Park Andres, on behalf of the WG 1 - Freight Container, reported the results of activities of WG 1. They discussed development of ISO standard developed in ISO/TC122, TC104, and potential three new work item proposals.

5.2 Reports from WG 7-Printed Circuit Board

Mr. Takahara Kunio, on behalf of the WG 7- Printed Circuit Board, reported the activities of WG 7. They discussed 5 technical items and others.

5.3 Approval of reports

The reports from these two WGs were approved by the Forum. The Forum expressed its deepest appreciations to WG 1 and WG 7 for their excellent activities.

6. Cooperation between the CJK-SITE and the Forum

The Forum noted that CJK-SITE Plenary meeting was held in parallel at the same time and venue. CJK-SITE introduced its activities, and its four Ad-Hoc conveners reported current status to the Forum.

C. Next Forum

Korea made a proposal to host the 13th Forum in 2014 in Korea. Detailed schedule and venue will be announced later.

D. Closing of the Forum

The Forum expressed its appreciations to Japanese Industrial Standards Committee (JISC) and Japanese Standards Association (JSA) for their hospitality and well-organized management of the Forum.

4 July, 2013

On behalf of the Chinese Government

Mr. Yin Minghan

On behalf of the Japanese Government

Dr./Mr. Yasunaga Yuko

On behalf of the Korean Government

Mr. Ahn Chong il

On behalf of the China Association for
Standardization

Mr. Gao Jianzhong

On behalf of the Japanese Standards
Association

Mr. Ueno Yoichi

On behalf of the Korean Standards
Association

Mr. Kim Chang Ryoung
